# Make your own Arts Festival visual schedule!

This visual schedule is designed to help you and your family plan your day and make the most of the festival. It will help you to keep track of what's happening, choose your schedule, and enjoy the festival at your own pace. Have fun exploring and creating your own unique festival experience!
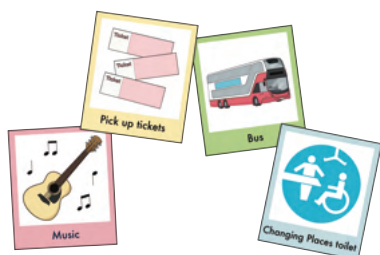

Step 1:
Look through the festival programme, either on paper or at www.kilkennyarts.ie/programme, and decide which shows you want to see. Remember to book your tickets!
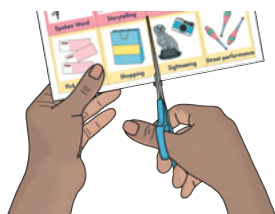

Step 2:
Print out your visual schedule pack from www.kilkennyarts.ie/visit/accessibility. Cut along the dotted lines to separate your picture cards.
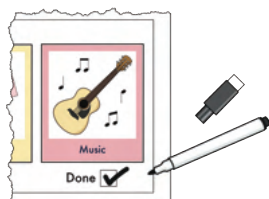

Step 3:
Have a look through the picture cards. There are five types of card: red for shows, yellow for festival experiences, green for transportation, blue for self-care, and blank cards for your own activities. Choose the cards that represent the shows or activities you plan to do.
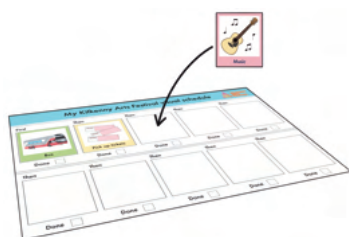

Step 4:
Stick the picture cards onto the visual schedule to plan your day.

Step 5:
When you complete an activity, tick the 'Done' box next to each card.

Enjoy your day at the Kilkenny Arts Festival and have fun creating your own personalised timetable!
